## REMARKS

Applicant thanks the Examiner for the courtesy extended to Applicant during a telephonic interview on July 20, 2006.

During the interview, the Examiner requested clarification for the phrase "adapted to" in the claims, including claims 1 and 15, particularly as to whether the phrase implicated the claim limitations following it as being positively recited claim elements which define the scope of Applicant's claims. Applicant agreed that, in each instance, the claim limitations following the phrase "adapted to" are positive limitations which define the scope of the claims. It is Applicant's understanding, that with this clarification, the application is believed to be in condition for allowance.

To the extent that other issues remain, the Examiner is invited to contact the undersigned to resolve such issues.

To the extent an extension of time is needed for consideration of this response, Applicant hereby request such extension and, the Commissioner is hereby authorized to charge deposit account number 502117 for any fees associated therewith.
